Session 2

Driving It Home - Dangers of Speed, Alcohol, Behavior

Thursday, March 11th

7:00 - 8:30 p.m.

Multi Purpose Room

Guest Speakers:

Officer Gold & Officer Metcalf

Snohomish County Sheriff - Collision Investigation Unit

Officers Gold and Metcalf will present 'Driving It Home' a collision awareness educational program focused on the dangers of speed, alcohol, and behavior of young drivers.

Examinations of crash investigations, medical examiner reports, and personal family accounts provide an in-depth view of factors which contributed to serious injury and fatality incidents involving local teen-age drivers.

Not suitable for young children

A Question and Answer session will conclude the forum.

*Communication and education are essential elements of informed parents.
The safety of our children, our families and our communities is paramount.*
